Crows 6 - Back in the Black - 28th October 2015

Handout 4

Latest Bulletin issued at TTC5 by a friend of Esmeralda with a crow warning.

“Lets get back on the Red Road” said Esmeralda, “and head West and then North. If we cut to **THE CHASE**, but go the long way round the NAM at the second all yellow junction to find PCC; and then from the **HIGH RIDGE** we should see where we can **HOLT** before the safety of STC6, as crows can't perch on Electricity lines we'll be safe there.”

“Yes!” cawed Harold, “but beware the camp of the Raggle Taggle Gypsies Oh! At 550 869, then you'll be safe”

Handout 5

Secret Instructions written by Harold Crow at STC6 - just follow the crow's feet to TTC 8 via STC7

Mice should scurry the long way round the NAM at Junction 3, where they may find something to their advantage.

Some of Harold's evil black friends may be waiting to check that good little mice behave themselves at Give Way Junctions 1, 5, 9, and 11, so watch the skies carefully.

As you scurry from STC6 to STC7, don't forget to pass PCs D, E & F
